CHECKLIST OF REQUIREMENTS

REQUIREMENTS FOR THE RENEWAL OF MTOP

1. MTOP shall be renewed every three (3) years on the same date of its issuance. Hence, when applying for renewal, applicants must present the following:

- ☐ a) Receipts of payments from the City Treasurer's Office
- ☐ b) Certificate of payment from LTO for the updated registration of motorcycle for hire. *If there is no updated registration of the tricycle, operator shall receive a temporary MTOP valid only for 15 days*
- ☐ c) Latest Voter's Certificate of Registration issued by the Commission on Elections, Lucena City.
- ☐ d) Copy of valid common carrier's insurance (third party liability + passenger liability) sufficient to answer for any liability it may incur to passengers and third parties in case of accidents. Original must be presented for authentication.
- ☐ e) Latest Community Tax Certificate
- ☐ f) Barangay Clearance
- ☐ g) Driver's License
- ☐ h) 2 pcs 2x2 photo
- ☐ i) Certification of Membership from any PMBL accredited tricycle association (TODA)

Note: A grace period of 60 days shall be given to unrenewed MTOP. However, an additional surcharge of 50% of the required payment per month shall be imposed. After 60 days, the MTOP is considered revoked and I.D. number is cancelled.

PHYSICAL REQUIREMENTS

2. No tricycle shall be issued a franchise unless applicable physical requirements are complied with and certified by the Tricycle Franchising and Regulatory Office, to wit:

Note:

PASS	FAIL	REQUIREMENTS
		a) Functional horn that does not emit exceptionally loud or startling sound.
		b) Functional signal lights, front and back for turning left or right or for emergency purposes.
		c) Functional tail light, including license plate light.
		d) Functional white head light in front and functional red tail light at the rear, visible at least 50 meters from the front and rear of the tricycle and functioning under all weather conditions.
		e) Functional light installed inside the sidecar and kept lighted while plying a designated route.
		f) Functional anti-noise equipment and fully operational mufflers.
		g) Sticker containing the body number of the vehicle and placed prominently and identifiable from a distance.
		h) Garbage receptacle.
		i) Clean windshield.
